### **The Studio's flagship programs and networks\* are:**

- The Studio Founders' Program. A 7-week hybrid online and in-person program. Entry is competitive and via an application process. In 2021, full and part-scholarships are available for applicants. The 2021 Program is supported by Dolby, Invest Hong Kong and the Dpt of Industry, Science, Energy & Resources.
- Pitch Lab. A half day workshop and one-on-one session to develop and hone your pitch. In 2021 this program is led by Dr Tim Parsons.
- Live Weekly Webinar Series: Founders' Stories and Business Series. Format 20-minute interview / 20-minute Q&A, live each Tuesday midday-12.40 (recorded & available on our YouTube channel)
- Monthly Global Pitch Nights. Startups pitch to investors. The 2021 Pitch Nights are held at The Studio on the last Thursday of every month and live-streamed. In 2021 Pitch Night is hosted by Sam McCool.
- The Studio Women's Network: events focused on a theme or topic, championing women in tech and female entrepreneurs.
- Peer-to-Peer Industry programs.
- Expert-in-Residence, available for weekly consultations (for full time residents only).
- Founders' Forum, led by EiR. A monthly discussion where founders and co-founders ask questions, share experiences and discuss challenges. 8am-9am, bring tea/coffee.
- "Office Hours", free one-on-one meetings with vetted and reputable advisors for legal, business, accounting and marketing advice.
- Intern programs with our university and higher education partners, giving you the opportunity to work with some of the best and brightest undergraduates and postgraduates.
